XII. 'FUNDS-LIMITED' NATURE OF THE REVISED SCHEME

Due to budgetary constraint and 'funds limited' nature of the existing PMS-OBC Scheme, it is not possible for the Central Government to meet the entire demand of the States/UTs. Therefore, a Notional Allocation (NA) under the Scheme is being conveyed at the beginning of the financial year since 2008-09 to States/UTs having OBC population, in proportion to their total population as per census and they are being requested to send proposals within the notional allocation, as per the procedure outlined below:-

- i. At the beginning of the financial year, notional allocation of funds of States/UTs will be made by this Ministry, from the overall annual outlay of the Scheme, on the basis of population of each State/UT, excluding States/UTs having no notified list of OBCs (viz. Arunachal Pradesh, Meghalaya, Mizoram, Nagaland and Lakshadweep).
- ii. States/UTs will sub-allocate their NA, district-wise and group-wise, for all non-professional courses. Such sub-allocation would not be necessary for professional courses, as institutions of professional education tend to be concentrated in major cities/centres. However, the State Government is expected to lay down criteria for selection for award of scholarship under both types of courses, professional and non-professional, to the extent of available funds, based on merit-cum-means.
- iii. States will earmark at least 25% of the total outlay under the Scheme for Group D courses which include Class-XI and XII and all other post-matriculation level non-

degree courses, diploma courses in polytechnics etc. Such earmarking would encourage more OBC students to join entry-level courses of tertiary education which would enable them subsequently to take up courses leading to higher qualifications.

- iv. Central assistance given to a State/UT would have to be first utilized to cover renewal cases (i.e. students already awarded scholarships during the previous years against Central Assistance), and only the balance amount left may be utilized to cover new cases.
- v. The proposal for Central Assistance should be accompanied with the details of physical and financial progress in the prescribed performa.
- vi. As the total demand of the States/UTs cannot be covered under the Central Assistance, the States/UTs shall provide remaining scholarship grants to the eligible students from their own budget.

XIII. FUNDING PATTERN OF THE SCHEME

The Scheme is being implemented by the State Governments and Union Territory Administrations, which receive central assistance from Government of India under the Scheme. The concept of Committed Liability will not apply to States/UTs from the year 2018-19 onwards. States/UTs are liable to make provisions for funds over and above Central Assistance to cover all eligible students.

XIV. MONITORING

The monitoring of the financial and physical performance of the Scheme will be done through seeking detailed information from the agencies implementing the Scheme and for the physical aspects the agencies implementing will be required to furnish Quarterly Progress Reports regarding the number of beneficiaries receiving award under the Scheme, both class-wise and gender-wise. On the financial side, details of actual expenditure incurred during the last financial year and expenditure proposed for the present financial year will be submitted by the agencies concerned. The agencies implementing the scheme will also be insisted upon to submit the latest audited accounts.

XV. EVALAUTION

The Ministry of Social Justice & Empowerment will get the scheme evaluated by entrusting a research study to reputed institutions/agencies, on the performance of the Scheme in different parts of the country, under this Ministry's Scheme of Research and Training.

- 6.6 It is essential that the fresh enrolments to the extent possible are made in the courses which are having employment potential. For this purpose, the State may do an exercise in consultation with the Higher Education Department of the State Government, and the State Skill Mission for identifying courses which would improve the employment potential of the students. It is strongly advised that fresh enrolment may be made in these courses. Such skill courses should be long term courses with periodicity of at least 1 year and conducted by the institutions as per Para 4 of the scheme guidelines.
- 6.7. State Government will ensure that the beneficiary, at the time of admission, applies for the scholarship also. In this regard, the State Government may open facilitation centers
